## Winning Pitch & West Yorkshire Start Up Ecosystem

Introduction:  Winning Pitch are looking to complement and add value to the existing support available across West Yorkshire for business start-ups. We are seeking to target committed individuals looking to start a business and those early stage businesses under 12 months old from any sector.  We are requesting Expressions of Interests from Coaches / Consultants and Partners who are interested in playing a key delivery role in supporting a full, diverse range of entrepreneurs in starting a business.  The essence of the role is to provide clients with independent and objective coaching, advice and support that provides leaders with the confidence, self-beiled and vindication to pursue the growth strategies that benefit the business and the West Yorkshire economy.  Working with vast majority of whom will be from underrepresented entrepreneur groups: Women, members of the BAME Community and people with disabilities.  Coach the Founders of these young firms to help them apply the entrepreneurial best practice tools and techniques learnt on the programme including Lean Start Up and Positive Mindset techniques.  Support participants to overcome any accessibility issues such that they can fully access the programme and commit fully to all the activities.  Act as their participants in main point of contact throughout the Programme, to help them overcome their most critical technical and emotional challenges in building and growing their business.  Support their participants to overcome the challenges of rapidly scaling up a fleedgling start-up to a fully-formed fast track business.  Business start-up puls Business Scale up skills  Client participants to address their constraints by accessing the full range of advice and specialist assistance from both within the programme and the broader support requirements.  Business start-up puls Business Scale up skills  Client participants and people with disabilities  Client participants and people with disabilities  Kills & attributes required:  Business start-up puls Business S
